

California Christian College Application for Admission

California Christian College offers a distinctly Christian education.

Mission Statement (revised 7/01; 10/02)

The mission of California Christian College is to prepare men and women, through quality Bible-based Christian education, to serve Christ effectively in His church and throughout society

Purpose Statement (revised 7/01; 10/02)

The constituency and ownership of California Christian College, the California State Association of Free Will Baptists and CCC alumni have clearly articulated their desire for CCC to establish Christian ministry programs for the purpose of developing capable Christian leaders to serve Christ both in the Church and in society. The college seeks Christian students who are serious about Christian education, doing the will of God and preparing for church related ministries, either on the lay or professional level.

The college is committed to upholding the cardinal doctrines of the traditional Christian faith, the distinctives of the sponsoring denomination and the belief that Christian education must deal with the moral, social, spiritual, and academic dimensions of the student. The AA and BA programs emphasize the following: (1) a major in Bible and Christian ministry as the heart of each educational program, (2) a Biblical-Christian worldview as the integrating factor for the entire curriculum, (3) Biblical standards of morals and ethics and (4) the concept that all students are preparing for Christian living and service.

Philosophical Statement

California Christian College holds the conviction that:

1. The Bible is the plenary and verbally inspired Word of God.
2. These Holy Scriptures are without error in their original manuscripts.
3. The Bible is infallible, inerrant, trustworthy, and authoritative in all it teaches.

Therefore, we believe that the Bible is:

1. The only source of all truth, and that all genuine truth is certainly and fully grounded in the Bible.
2. The only sure foundation upon which all true knowledge can rest.
3. The only accurate standard by which all subjects must be evaluated and taught.

Hence, the Bible is the central integrating factor of the total educational process. All genuine truth is based upon and unified by the uniquely revealed Word of God

California Christian College holds to a holistic theology of education. By this we mean that:

1. We are held responsible for, and endeavor to teach all subjects whether of the humanities, sciences (both natural and social), the arts, and/or Biblical and Church-related subjects in light of Scriptural truth.
2. We are held responsible for maintaining the Biblical pattern of spiritual, intellectual, emotional, physical, and social development of our students as we help them develop as well-adjusted persons. This we are to do in all our academic, spiritual, and social events.
3. We are determined to make sure that all courses are taught from the perspective of our educational philosophy. This will be insured on two levels: **first**, through Faculty training; **second**, in our course syllabi.

I have read and understand the mission, purpose and philosophical position of California Christian College.
